

Four[®]Us Worx

Four[®]Us Solo

Designed by Anders Nørgaard

FOUR[®]

Give your space *meaning*

The **Four®Us** family is a range of modular soft seating solutions that allow you to exploit every single squaremeter. They are developed to meet the needs for versatility and mobility in a modern environment.

The possibilities for upholstery and combinations are endless, providing you with the opportunity for giving the products just the image, you wish.

The Four®Us Worx work pod is designed to meet the need for a mobile, practical workdesk whilst looking stylish and blending in naturally with its surroundings.

Four®Us Solo, with its acoustic features and enveloping design, solves the need for a comfortable work place or comfy relaxation spot for one person.

Features

- *Endless possibilities for seat- and innerside upholstery*
- *Wooden legs are available*
- *Part of an extensive furniture family*
- *Mix & match fabrics and colours*
