The future canteen layout with different table heights connected with room-in-room and acoustic panels. This layout ensures that the canteen area can be utilized throughout the whole day as a meeting/study area and canteen. It will make the canteen area more attractive and it will reduce your number of meeting rooms.
This layout can also support meetings that are more informal and potentially better.
All chairs, tables and room-in-room can easily be stacked/folded and removed quickly by a one person. Choose between 6 colors for the chair shell, 9 different table top laminates, and 4 different frame colors.
